

GOOD & GATHER ROAD MIX

Fifty, nifty United States... and we're here to celebrate all fifty of them! From sea to shining sea, this week we head off on a **road trip across America**. There are so many **wonderful places** to see across the US that it's no wonder that an average of **53% of families** in the US set off on a road trip every year. Arguably one of the best parts of any road trip – **the snacks!** Today you will create your own **Good + Gather Road Mix** and it's as easy as it sounds – gather all of the good stuff you like, **mix, bag, and eat!**

Below you will see a list of **suggested** materials, but please get creative and use what you have on hand at home! There is no single way to do this craft!

Materials:

- ▶ A large bowl
 - ▶ Mixing spoon
 - ▶ Measuring cups
 - ▶ Ziploc baggies or container for storing
 - ▶ Your favorite cereal
 - ▶ Candy pieces (chocolate chips, M&Ms, Skittles, etc.)
 - ▶ Pretzels
 - ▶ Dried fruit
 - ▶ Any non-perishable, dry food items
- large bowl

Let's get **STARTED!**

Step 1

Grab some of your **favorite snacks** from the pantry. It's important to choose **dry items** that are **shelf stable**.

Step 2

Using a measuring cup (or just eye-balling it) add **equal parts** of each of your chosen snacks to your bowl. For example, you might add $\frac{1}{4}$ cup of cereal, $\frac{1}{4}$ cup of chocolate chips, and $\frac{1}{4}$ cup of mini marshmallows.

Step 3

Mix all of the ingredients together until everything is mixed.

Step 4

Scoop your road mix into a plastic baggie or container to keep **fresh**. **Enjoy** on your own or share with a friend!

Road Trip Tip

Sometimes it's not so easy to jump in your car and head out on a road trip. Luckily, **virtual road trips** are that easy! Grab your **road mix snack** and hop on over to **YouTube**. Try searching "**Explore _____**" by inserting where you want to "go" (ex: "Explore the Grand Canyon"). There are **thousands** of US sights to explore!
