Victory Junction Hosts 16th Annual Run To Victory

(Randleman, North Carolina) Victory Junction invites the public to participate in their Run to Victory event, September 5th-11th, 2021. For safety considerations, the 16th Run to Victory will look a little different from year's past, as it will be a virtual event.

The format of this year's virtual 5k event allows participants to choose when, where, and how to participate over the course of the week of the event. In addition to walking or running, participants have the option of riding, swimming, kayaking, or any activity that gets them moving.

Registration is \$35 and includes a Run to Victory t-shirt. Although not required, fundraising for Victory Junction is encouraged before and during the week of the event. All proceeds raised through Run to Victory go to support the mission of Victory Junction.

Registration for participants can be done by visiting RunToVictory.org.
