## Spring camps

## Spring Positions

### VJ Family Weekend\* (General Session)

► February 28 - March 2

### Golden Ticket Weekend #1\*

► March 7-9

### Golden Ticket Weekend #2\*

► March 21-23

### Autism Family Weekend

► March 28-30

### Trillium Family Weekend #1

► April 4-6

### Trillium Family Weekend #2

► April 11-13

\*Flu Shot Required

### Family Pal

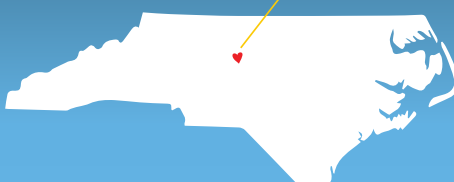

► Family pals are paired with a family and serve as their guide throughout the weekend. You will be welcoming them to camp, escorting them to different activities, sitting with them at mealtime, and connecting with all members of the family. Your role is very important because as the initial face of Victory Junction and the family's representation, you have a major part in the feel of camp and the community that is established. Volunteers will sleep in a separate housing unit to the families.

### Program Pal

► Program pals will be trained during your orientation to assist facilitating a program area, which gives our campers the opportunity to try new things and push beyond their comfort zone. Program pals still will get to interact with families not only at their activity, but also being assigned to hang out with a family when their area is not open. Certain program areas you could work in would be:

- **Boating & Fishing** - Assist weekend staff with setup and cleanup, and ensuring all participants are following safety rules (and kissing fish!)
- **Arts & Crafts/Woodshop** - Assist weekend staff with the creative arts areas. This includes setup and cleanup, assisting with crafts, and engagement with families.
- **Stable Pal** - Assist as needed in the stables. This includes leading campers on horses around our arena, participating in animal adventure, grooming, cleaning stalls and general stable duties.
- **Dining Hall Pal** - Assist the Kitchen Manager/Chef with various duties, which includes setting up and cleaning up after each meal.

► **VICTORY JUNCTION**  
RANDLEMAN, NORTH CAROLINA
